The Pacific Horizon 2+1 motorhome leads its category thanks to its style, quality and functionality. With perfectly allocated space and a fully featured interior, the larger bed size allows you the comfort and relaxation of travelling the country in luxury.

Integrated living space: A larger living area incorporating the swivel passenger seat creates more space and size in the middle of the vehicle.

Real freedom on the road: The 3-way fridge, along with gas cooker, thermostatically-controlled gas or diesel heater and internal toilet/shower allows true independent travel.

Extra bed for a child: A hammock-style bunk bed suitable for a young child fits easily above the big double bed, if required.

Easy access: A large sliding side door as well as rear entry door allows unrivalled accessibility, as well as making the most of the outside views when parked.

Automatic transmission: The drive is effortless, with Mercedes safety and style.
